Compost Bin Sale

Start backyard composting to save resources and money. Composting is a natural process that turns yard waste into rich soil. Yard waste—grass, leaves, old flowers—contain mostly water. Once the water dries, rich soil is all that's left.

Barrels only sold on April 18, 2015 at Kentwood High School from 9 am until sold out. \$25 each - cash only.

No flat beds or dump trucks allowed. We reserve the right to refuse oversized, commercial, contaminated, excessive, or unacceptable loads.
